7:00 p.m. – 9:30 p.m.**

Kernersville, NC

This workshop provides an opportunity to look at some of your past lifetimes. Through meditation and journeying, you will look at scenes and instances that may reveal significant insights for understanding aspects of your present day life – helping to explain some of your actions, reactions and feelings.

There are many things you can learn from your past, and then recognize what you must let go in order to grow.

Come – open your mind – and explore your past lifetimes.
