

SPRING EQUINOX

With Shaman Nella Silverspear

Saturday March 20, 2010 7pm at

www.newbeginningsretreat.org

(near Fancy Gap, Virginia)

This special event will be located at and around a very potent and beautiful medicine wheel at New Beginnings Retreat. And, New Beginnings Retreat is, in itself, a very beautiful, powerful, and spiritual place covering 32 acres.

The ritual will shake loose the dregs of winter and spark the awakening of spring. It will enhance the activity and growth of the coming year.

Bring a candle (beeswax candles will be available for purchase for \$4).

It is suggested that you arrive between 5:00 and 6:00 pm to visit this special spiritual area beforehand, so the event can start promptly at 7:00 pm. Dress for outside --- bring a folding chair.

There will be cookies and tea up at the house afterwards.

The cost is \$35 prepaid, non-refundable or \$60 at the door.
